

DA Portal and DA Portal Web Step-By-Step Login

DA Portal Web <https://daportalweb.sdcca.org>

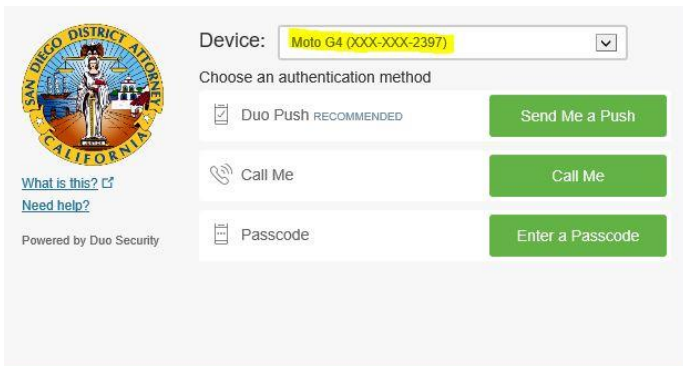

STEP 1: Type in LAN ID (6-digit user for office PC login)
STEP 2: Type in the password for that user account.

DA Portal <https://daportal.sdcca.org>

STEP 3: Verify the default device, and have that device with you and ready to respond back.

STEP 4: Chose between the three options to verify your identity. Please be sure to have the DUO app installed and registered on your smartphone before using the [Send Me a Push] option.

STEP 5: Verify your identity on your device according to the option you chose.

STEP 6: Your login process is successful, and you'll be presented with the published applications menu.
